Robinson's Promise HOA
P.O. Box 656
Savage, MD 20763-0656

To Whom It May Concern:

I am writing in regards to the HOA for the neighborhood of Robinson's Promise. A group of students are a part of the Green Team at Forest Ridge Elementary School. This group of students has studied information about the Chesapeake Bay Watershed and our impact on the Chesapeake Bay. With the realization of decisions we make affecting the health of the bay, this group of students would like to stencil the storm drains with an awareness motto, "Chesapeake Bay Drainage. Do Not Dump". In order to move ahead with this project, we must have permission from the HOA of the neighborhood. We would like to stencil all of the storm drains surrounding Forest Ridge Elementary School parking lot and the two storm drains on the corner of Gorman Road and Jeanne Court. We would like to complete the stenciling between November 5 and 16th. We appreciate your quick response to this letter, as we are anxious to get started. Thank you for taking this project under consideration.

Sincerely,

Susan Langley
